RE: Application of Dominion Energy South Carolina, Inc. for Adjustment of Rates  
and Charges (See Commission Order No. 2020-313)  
Docket No. 2020-125-E

Dear Ms. Boyd:

By letter dated March 16, 2022, filed in the above-referenced docket, Dominion Energy South Carolina, Inc. ("DESC" or "Company") submitted its report on the capital expenditures at the Company's three coal plants, Wateree, Williams and Cope for the quarter ended December 31, 2021 ("December Report"). In its March 16, 2022 cover letter accompanying the December Report, DESC incorrectly referred to its December Report as "[t]he Company's capital expenditure report for the quarter ended September 30, 2021." The date of "September 30, 2021" should have been stated as "December 31, 2021." For ease of reference, below is the sentence from the March 16 cover letter with the correction in redline format.

In compliance with Order No. 2021-570, please find enclosed the Company's capital expenditure report for the quarter ended ~~September 30, 2021~~ **December 31, 2022**.

Please accept this letter as the Company's correction to its March 16 cover letter as well as our apology for causing any confusion.

If you have any questions or need additional information, please do not hesitate to contact us.

Very truly yours,
